

POWERED BY SATIC TECHNOLOGY

PURE POWER PLUG-IN

- *Reduce Electric Consumption*
- *Reduce Electromagnetic Fields*
- *Filter Dirty Electricity*
- *Protect & Prolong Equipment*
- *Increase Efficiency*

One unit conditions an entire circuit
Two units condition an entire house

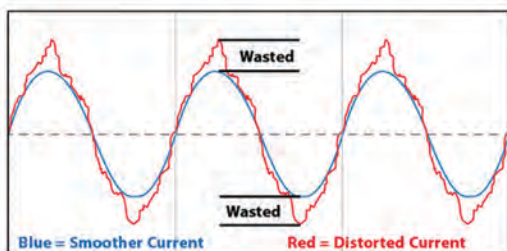

Lower Your Power Bill!

PURE POWER PLUG-IN

Clean Your Power and Save Money!

PERFECT FOR KITCHEN APPLIANCES, OFFICE EQUIPMENT & ENTERTAINMENT CENTERS

• Reduced Electrical Consumption:

- Cooler equipment
- Longer lifetime
- A lower utility bill

• Electromagnetic Field Reduction:

- Bring EMF levels down
- Creating a safer, healthier environment

• Harmonics Filtration:

- Provides cleaner power

• Voltage Regulation:

- All outlets on the circuit are surge protected

• Dirty Electricity Elimination:

- Nano-surges degrade TV & computer screen quality
- Now see picture-perfect

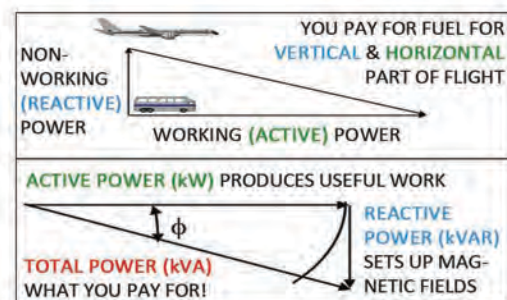

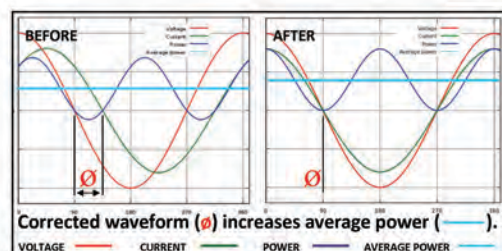

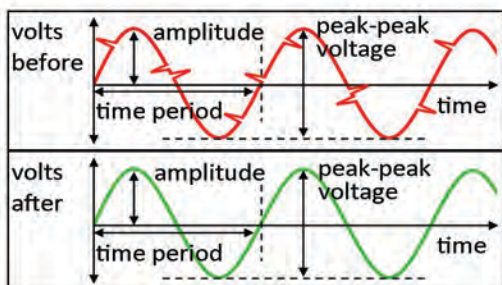

- Nano-surges also degrade audio quality
- Now hear pitch-perfect

• Phase Correction:

- Increased efficiency
- Increased performance

PURE POWER PLUG-IN

MADE IN THE U.S.A.
